So much has changed in the past two weeks... The Myrtle Beach Mall closed, which definitively shut down our physical space. However, not only has the Circle NOT closed, we have already gotten bigger!

Our first Zoom meeting was a town hall discussion about the Coronavirus and how we as a community can help each other, attended by about 17 people. The second meeting was a sharing meeting, attended by 20 people, where we went around the "room" sharing music, poetry and news. The third Zoom meeting was our first ever virtual Effort and Grace reading and discussion with Jeff Wolverton, attended by almost 50 people – and two cats – from all over the US! The recording of that meeting is on Robin Vogel's Youtube channel (not a perfect recording; I will get better at it!):

<https://www.youtube.com/watch?v=Mgmflqnm0Bw>

The Circle Center is alive and growing, and we are only just beginning!

A highlight of the calendar is virtual arti twice a day every day at Meherabad time 7am/pm (930 EDT). Arti has been attended by people from all over the country, and even all parts of India! We meet to say prayers to a recording of arti at the Samadhi, and then in real time share a song, story, joke, poem, reading, or visual artwork.

Other highlights:

Sharing meetings will be every Saturday at 3pm. Effort and Grace will be every Sunday at 530-730pm. Rich Blum will be leading a discussion group focused on specific topics using Baba readings to address the topic, Tuesdays at 4pm. We will also have a limited number of classes in EFT with Christina Bella and Feldenkrais with Heidi MdGovern.

Absolutely everyone from anywhere is welcome to attend. So far, we have had attendees from SC, NC, CA, RI, NY, CT, PA, OR, WA, DC, WI, FL and even India. If you do not have access to a computer, you can even call in with a phone. Check the calendar frequently as we are added events almost daily:

We are going to make it through this pandemic together. Looking forward to seeing you online at the virtual Circle!

PS we have a list of tech savvy people who are happy to help you get online. Reply to this and we will get you tech help.
