Jai Meher Baba!

"A stone may be worshiped with flowers or it may be smeared with refuse, but it remains unaffected. Remember, the real yogi is he whom nothing of the world can touch; he remains unconcerned and unaffected in all surroundings and circumstances." ~ Meher Baba

Greetings to all, from Myrtle Beach, Baba's Home in the West! The Circle Center is slowly opening up our physical space to very small groups by request, as well as starting up drop-in hours on Sundays from 3-5pm. On those days, our volunteers will wear masks and handle sanitation. Everyone else is encouraged but not required to follow suit.

We will continue the virtual meetings indefinitely, as long as individual hosts are available to continue. The calendar is the most up-to-date and complete record of any meetings, and virtual meetings are indicated by the word "Zoom" in the title. All details of events and any needed login info is available here:

www.ambcircleoffriends.com/calendar.html. Absolutely everyone from anywhere is welcome at our meetings. Below is a summary of the ongoing virtual meetings.

Baba House in Oregon For Sale

We are selling our home in Scotts Mills Oregon, hoping to find a Baba Lover

who will love it as much as we have. It was the home of the Northwest Sahavas for about 20 years, until 2013, when sahavas moved closer to Portland. The Portland Baba group is active, fun-loving and welcoming. For Baba lovers, we're asking \$469,000 for our 2,400 sq. ft. 4-bedroom, 2-bath home, with 2 barns on 3 gently sloping acres. Bhauji has been here, he named our home Baba House. Meheru and the twins Sohrab and Rustom were also visitors, as well as many sahavas guests over the years. Scotts Mills is about an hour south of Portland, and 1/2 hour east of Salem, so commuting to work is reasonable. Photos and more details about the house are at this Redfin link:

<https://www.redfin.com/OR/Scotts-Mills/135-8th-St-97375/home/26389761>

Bonus: we are a 10-min walk from a beautiful county park with a big creek and waterfall, a daily highlight for us and our dog. For more details, and perhaps a video tour, call us at (503) 507-0274.

Birth Charts

Jupiter, courtesy NASA

I think of the birth chart as a sort of map of the sanskaras we were born with. It doesn't tell the future, rather it shows the talents and potentials we brought over from our previous lives. It also points out the areas we need to work on to attain poise, balance and harmony.

Understanding a birth chart requires a joint effort, a willingness to share your experiences and insights. You can write me at ekaterinaflynn@gmail.com. You can see the kind of work I do [here](#)
