The Circle Center has opened our physical space to small groups by request. We also have drop-in hours on Sundays 2-5pm. Sanitation and masks are available and recommended, however we do not have willing staff to physically enforce a mandatory mask policy. Therefore, visiting the Circle is at your own risk.

We have two Board positions open. Directors need not be local, though experience with Myrtle Beach is preferable. Please reply to this email if you are interested in learning more.

Our virtual meetings continue to grow, regularly bringing together people from all over the world. The calendar is the most up-to-date and complete record of all events and any last-minute changes. Our virtual meetings are preceded by the letter “Z” in the title, and they are all the same meeting ID and password. Zoom meetings by other organizations are indicated by a Z* (if you would like your event listed on our calendar, just let us know!) A link to the calendar:

HOUSING - RENT/OWN

Looking for a Kind Soul

I usually don't ask anyone for help because people make promises and don't keep them. But now I have to leave the house I've been living in with my cats because the landlord sells it. Is there a kind human being that would want me and my kitties as a tenant? We like it clean, safe and very quiet. Anywhere between the border of North Carolina and up to Charleston would be ok (yes, I would have to leave the Meher Center but for my cats I would do it). I doubt that there is a truly caring soul but if in case there is email

I think of the birth chart as a sort of map of the sanskaras we were born with. It doesn't tell the future, rather it shows the talents and potentials we brought over from our previous lives. It also points out the areas we need to work on to attain poise, balance and harmony.

Understanding a birth chart requires a joint effort, a willingness to share your experiences and insights. You can see the kind of work I do [here](#). You can email me at ekaterinaflynn@gmail.com.
